## Caregiver Support Group

This group continues to meet over Zoom. If you are caring for someone either directly or indirectly and feel you could use some extra support reach out to Karen (youth@stjohnsudbury.org) or Janet (jlholmgren28@gmail.com).

## Sunday Afternoon Bible Study (formerly Thursday am study group)

In the October Living Lutheran magazine was a cover article which discussed ELCA's social message on "Government and Civic Engagement in the United States: Discipleship in a Democracy."

The St. John Bible Study will be trying to relate the lectionary-assigned Bible verses we study to that message in our next few meetings, from now until the national elections—please feel free to join in if this is a subject that you are interested in.

You may read the article on-line at :

***A Giving Reminder...*** We may not be greeting each other in the pews yet but we are still experiencing worship and fellowship as a church family virtually! The one thing we cannot do virtually is pass the offering plate so we need you to remember to continue your giving electronically or by mail. *We are concerned that there has been a rather significant drop in giving over the past few months....so we prayerfully ask you to check your records and continue to support the ongoing ministries and expenses of St. John !!!*

### Anti-Racism Workshop

Join us for a Virtual Anti-Racism Workshop led by Reverend Carrington Moore from the Mass Council Churches on Tuesday October 13th at 7:00pm.

The 'Dialogues on Race' program in collaboration with Trinity Lutheran in Worcester has invited Reverend Carrington Moore to lead a workshop on racial justice and anti-racism opportunities in communities of faith. Carrington has a passion for community development, program design, spiritual formation and enjoys working at the intersection of building faith communities and advocating for social justice. Carrington has led collective impact initiatives across the greater Boston community dedicated to increasing college access, building sustainable vocational pathways and creating equity within educational systems.

Join us to hear Reverend Carrington's experiences and brainstorm ideas to work for social justice at St. John and beyond! Please contact Maddy at [maddylacure@gmail.com](mailto:maddylacure@gmail.com) for more information and to RSVP for the Zoom link.

### Call Process Update

Dear St John Members:

We informed you recently that Synod had given us a pastoral candidate's name for a follow-up discussion. We had several discussions with the individual and determined that the person was not a good fit for St John. We informed Synod of our conclusion and they are now looking to identify another candidate.

Thank you and please let me know if you want to discuss this or other matters.

Stay well and safe!

Earl Baucom

## Young Adult Book Group

Grades 7-10 are Invited. We will be reading "Just Mercy" by Bryan Stevenson. "Stevenson's story is one of working to protect basic human rights for the most vulnerable people in American society-- the poor, the wrongly convicted, and those whose lives have been marked by discrimination and marginalization. Through this adaptation, young people of today will find themselves called to action and compassion in the pursuit of justice." Please contact Karen for a copy of the book. We are exploring the opportunity to discuss with another church in the Synod. More to come on that.

## Sunday School News

The first "Family Sunday school" for both combined classes took place on Oct 4th at 11:00 AM. We talked about the life of Moses and related his years of "adventures" to great adventures in each family's life.

On Sunday 10/18 we resume our regular 11:00 for Prek - 3 and 11:45 am for Grades 4-5

## Field of Hope

The "Field of Hope" hand-painted signs are up and look fantastic! Be sure to drive by and check them out. You could even talk a walk and get an up-close and personal look. The Sudbury Town Crier had a great half page article and color photos.
